

### Safety Data Sheet

According to Federal Register / Vol. 77, No 58 / Monday, March 26, 2012 / Rules and Regulations Issue date: 01/25/2023 Revision date: 03/18/2024 Supercedes: 01/23/2024 Version 1.1

Section 1: Identification		
1.1 Identification		
Product form	Aerosol	
Trade name	Sunbrella Extract Oil Based Stain Remover	
Generic Name or Description	Specific-use stain lifter	
Part numbers	GRN_EXTRACT_05, GRN_EXTRACT_09	
1.2 Recommended use and rest	rictions on use	
Recommended use	Read label before use.	
Restrictions on use	Use per the label directions	
1.3 Supplier		
Distributor	Glen Raven Consumer Solutions, LLC Corporate Office 1831 North Park Avenue Burlington, North Carolina, 27127 USA T: 336-227-6211 www.sunbrella.com	
1.4 Emergency telephone number		
Emergency number	INFOTrac: 1-800-535-5053	

### Safety Data Sheet

Section 2: Hazard(s) identification		
2.1 Classification of the substance or mixture		
GHS US classification		
Aerosols Category 1	H222	Extremely flammable aerosol
Gasses under pressure, dissolved	H280	Contains gas under pressure; may explode if heated
Aspiration hazard Category 1	H304	May be fatal if swallowed and enters airways
2.2 GHS Label elements, includi	ng precaut	tionary statements
GHS US labeling	product Commu differen	abeling elements found on the SDS may be different from actual hazards listed on t label. Safety Data Sheets are regulated by OSHA (29 CFR, 1910.1200 (Hazard unication)) while the actual product and product label may be regulated by a t government entity. Please contact the responsible party (as listed in Section 1) if re any questions.
Hazard pictograms (GHS US)		
Signal word (GHS US)	Danger	
Hazard statements (GHS US)	H222	Extremely flammable aerosol
	H280	Contains gas under pressure; may explode if heated
	H304	May be fatal if swallowed and enters airways
Precautionary statements (GHS US)		
Prevention	P102	Keep out of reach of children
	P210	Keep away from heat, hot surface, sparks, open flames and other ignition sources. No smoking.
	P211	Do not spray on an open flame or other ignition source.
	P251	Do not pierce or burn, even after use.

### Safety Data Sheet

Response	P301 + P316	IF SWALLOWED: Get emergency medical help immediately.		
	P331	Do NOT induce vomiting.		
Storage	P403	Store in a well-ventilated place.		
	P405	Store locked up.		
	P410 + P412	Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.		
Disposal	P501 Dispose of container in accordance with local regulations			
2.3. Other hazards which do not	t result in c	lassification		
No additional information availab	le			
2.4. Unknown acute toxicity (GF	IS US)			
Not applicable.				
2.5. NFPA & HMIS Ratings (GHS	SUS)			
NFPA (Scale 0-4) 0 - Least 1 - Slight 2 - Moderate 3 - High 4 - Extreme	HEALTH: 1 FLAMMABILITY: 3 REACTIVITY: 0			
HMIS® III (Scale 0-4) 0 - Least 1 - Slight 2 - Moderate 3 - High 4 - Extreme		HEALTH1FLAMMABILITY4PHYSICAL HAZARD2

### Safety Data Sheet

According to Federal Register / Vol. 77, No 58 / Monday, March 26, 2012 / Rules and Regulations

Section 3: Composition/information on ingredients				
3.1 Hazardous Ingredients				
Name	Product identifier		%	GHS US classification
Hexamethyldisiloxane	CAS-No.: 107-46-0		30 - 60	FLAMMABLE
Pentane	CAS-No.: 109-66-0		10 - 30	ASP TOX, FLAMMABLE
Silicon Dioxide	CAS-No.: 112926-00	-8	1 - 5	NOT HAZARDOUS
1,1-difluoroethane	CAS-No.: 75-37-6		15 - 40	FLAMMABLE, GAS UNDER PRESSURE
3.2 Trade Secret Claims and	Notes			
Trade Secret Claim	When applicable, the specific concentration of each hazardous ingredient is considered a TRADE SECRET. Chemical names and identifiers are released to ensure that each user has entitlements of "right to know" and concentration ranges are selected to ensure that the appropriate hazard classification applies to the mixture. Ingredients not subject to Trade Secret claims are listed at an exact concentration. For more information please contact the responsible party as listed in Section 1.			
Notes	This product may contain other ingredients that are not required to be disclosed on the label or safety data sheet. Any ingredient that is not listed on either the SDS or label is not considered hazardous and poses no risk to the user.			
Section 4: First-aid measures	5			
4.1. Description of first aid r	neasures			
First-aid measures general			el unwell or if any	l advice is needed. Seek a medical professional irritation persists. Specific hazard information S.
			ap and water. Rem ler before reuse.	ove/Take off immediately all contaminated
First-aid measures after eye c				al minutes. Remove contact lenses if present at least 10 minutes or until satisfied.
First-aid measures after inhal			cult. If breathing h	o comfortable for breathing. Administer oxygen as stopped give artificial respiration and seek
				icted to do so by a medical professional. Never scious person. Call a physician immediately.

### Safety Data Sheet

4.2 Most important symptoms and effects (acute and delayed)		
Skin contact symptoms	Product may dry and crack skin. If irritation/corrosion occurs skin will turn red and will feel itchy or uncomfortable.	
Eye contact symptoms	Eye sight may become blurry on contact. Redness, irritation, and tearing may also be associated with exposure.	
Inhalation symptoms	Excessive inhalation may cause respiratory irritation, dizziness, drowsiness, fatigue, nausea, headache, possible unconsciousness, shortness of breath, or vertigo.	
Ingestion symptoms	May cause intestinal irritation, nausea, diarrhea, or vomiting. Aspiration may be fatal in some situations.	
4.3. Immediate medical attention and s	special treatment, if necessary	
Refer to Section 2.2. to determine when immediate medical attention is necessary. Most immediate emergencies result from over-exposure, inhalation, or ingestion of product.		
Section 5: Fire-fighting measures		
Section 5: Fire-fighting measures		
Section 5: Fire-fighting measures	hing media	
	hing media Dry chemical, sand, or carbon dioxide after spray has stopped. If extinguishing methods are unavailable cool the container with water if exposed to heat or flame. Remove the container from fire area if it can be done without further risk.	
5.1. Suitable (and unsuitable) extinguis	Dry chemical, sand, or carbon dioxide after spray has stopped. If extinguishing methods are unavailable cool the container with water if exposed to heat or flame.	
5.1. Suitable (and unsuitable) extinguis	Dry chemical, sand, or carbon dioxide after spray has stopped. If extinguishing methods are unavailable cool the container with water if exposed to heat or flame. Remove the container from fire area if it can be done without further risk. None known	
5.1. Suitable (and unsuitable) extinguis Suitable extinguishing media Unsuitable extinguishing media	Dry chemical, sand, or carbon dioxide after spray has stopped. If extinguishing methods are unavailable cool the container with water if exposed to heat or flame. Remove the container from fire area if it can be done without further risk. None known

### Safety Data Sheet

Section 6: Accidental release measures		
6.1. Personal precautions, protective equipment and emergency procedures		
If released or spilled	Remove or eliminate all sources of ignition. Establish ventilation to keep atmospheric concentrations below limits. Avoid breathing vapors. Wear protective equipment. Remove and keep all unprotected persons away from area.	
Recommended protective equipment	See section 8 for appropriate personal protection gear for safe handling in case of accidental release or spillage.	
6.2. Environmental precautions		
Avoid release to the environment.		
6.3. Methods and material for containme	nt and cleaning up	
Neutralizing chemical	Absorb into clay-like absorbent material	
Waste disposal method	Do not release into sewage or waterways. Contact a professional waste removal company to dispose of chemical in accordance with state, local, and federal regulations.	
Section 7: Handling and storage		
7.1. Precautions for safe handling		
Precautions for safe handling	Ensure good ventilation of the work station. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Use only non-sparking tools. Take precautionary measures against static discharge. Flammable vapors may accumulate in the container. Use explosion-proof equipment. Wear personal protective equipment.	
Hygiene measures	Do not eat, drink or smoke when using this product. Always wash hands after handling the product.	
7.2. Conditions for safe storage, including any incompatibilities		
Storage conditions	Store locked up in a well-ventilated area. Protect container from sunlight. Never store in a vehicle. Do not expose to temperatures above 122°F or 50°C. Keep away from heat and other sources of ignition. Keep away from oxidizing agents and watery environments. Store upright without excessive load on top.	
Specific hazards for storage	Contents are under pressure; may explode if heated.	

### Safety Data Sheet

Section 8: Exposure controls/personal protection					
8.1. Control parameters					
Chemical name	Identifier (CAS No.)		PEL	ACGIH	NIOSH
Pentane	109-66-0	)	1000 ppm	600 ppm	120 ppm
8.2. Appropriate engineerin	g controls				
Good mechanical ventilation may be adequate to maintain airborne concentrations below established exposure limits for large uncontrolled releases. If exposure limits are exceeded and inhaled: use a NOISH approved respirator.					
8.3. Individual protection me	easures/Pe	rsonal protectiv	e equipment		
Eye protection:	Use NIOSH/0		OSHA or EN 166 approved of	eye protection	
Skin protection:		Handle material with gloves and protective clothing. Inspect gloves prior to use. Use proper glove removal techniques so that no skin comes into contact with the outside of the glove. Gloves must be chemically resistant (such as rubber).			
Respiratory protection:	Respiratory protection: In case of insufficient ventilation, wear suitable respiratory equipment			nt	
General Hygiene:	neral Hygiene: Practice good industrial hygiene. Wash hands before breaks and at the end of the workday. Keep product away from foodstuffs, beverages, and feed. Wash and launder all contaminated clothing before reuse.				
Personal protective equipme symbol(s):	t				

# sinbrella

### Safety Data Sheet

Section 9: Physical and chemical properties		
9.1. Information on basic physical and chemical properties		
Appearance	No data are available or specific property is not applicable to product.	
Odor	No data are available or specific property is not applicable to product.	
Odor threshold	No data are available or specific property is not applicable to product.	
рН	No data are available or specific property is not applicable to product.	
Melting point/freezing point	-59°C (concentrate)	
Initial boiling point and range	101°C (concentrate)	
Flash point	No data are available or specific property is not applicable to product.	
Evaporation rate	No data are available or specific property is not applicable to product.	
Flammability	Flammable propellant and liquid	
Flame extension distance	Mixture is >85% flammable components	
Upper/lower explosive limits	No data are available or specific property is not applicable to product.	
Vapor pressure	No data are available or specific property is not applicable to product.	
Vapor density	No data are available or specific property is not applicable to product.	
Relative density	No data are available or specific property is not applicable to product.	
Solubility	No data are available or specific property is not applicable to product.	
Partition coefficient	No data are available or specific property is not applicable to product.	
Auto-ignition temperature	No data are available or specific property is not applicable to product.	
Decomposition temperature	No data are available or specific property is not applicable to product.	
Viscosity	No data are available or specific property is not applicable to product.	

### Safety Data Sheet

9.2. Other information		
VOC content	No data is available or specific property is not applicable to product.	
Section 10: Stability and reactivity		
10.1. Reactivity		
Not determined or not applicable.		
10.2. Chemical stability		
Stable under normal conditions.		
10.3. Possibility of hazardous reactions		
No dangerous reactions known under normal conditions of use.		
10.4. Conditions to avoid		
Heat, sparks, open flames, ignition sour	ces, sunlight, and watery or moist environments.	
10.5. Incompatible materials		
Strong oxidizing agents.		
10.6. Hazardous decomposition products		
Not determined or not applicable.		

### Safety Data Sheet

According to Federal Register / Vol. 77, No 58 / Monday, March 26, 2012 / Rules and Regulations

#### Section 11: Toxicological information

#### 11.1. Likely routes of exposure

Toxicological exposure may occur via inhalation, ingestion, oral contact, and dermal contact based on the area exposed during use. Symptoms are more likely to increase the longer the exposure to the chemical.

#### 11.2. Symptoms related to the physical, chemical, and toxicological characteristics

Not determined or not applicable.

11.3. Delayed, chronic, and immediate effects of short- and long-term exposure

Not determined or not applicable.

#### 11.4. Numerical measures of toxicity

Acute Toxicity Estimate – Oral	Chemical contains no ingredients considered to be toxic

No ingredients are listed

Chemical contains no ingredients considered to be toxic

Acute Toxicity Estimate – Inhalation Chemical contains no ingredients considered to be toxic

11.5. Hazardous chemicals listings

Acute Toxicity Estimate - Dermal

National Toxicology Program Report

International Agency for Research No ingredients are listed

### Safety Data Sheet

According to Federal Register / Vol. 77, No 58 / Monday, March 26, 2012 / Rules and Regulations

Section 12: Ecological information

#### 12.1. Ecotoxicity

Product is considered an environmental hazard. Avoid release of mixture in sewage or waterways.

Acute Toxicity Estimates for LC50 rainbow trout is 1.12 mg/L 96h which would classify mixture as Acute Aquatic Toxicity, category 2, and Chronic Aquatic Toxicity, category 2, for non-OSHA regulations.

#### 12.2. Persistence and degradability

No additional information available.

#### 12.3. Bioaccumulative potential

Not determined or not applicable.

12.4. Mobility in soil

Not determined or not applicable.

#### 12.5. Other adverse effects

Not determined or not applicable.

#### Section 13: Disposal considerations

#### 13.1. Precautions for proper disposal

Container may be recycled. Before recycling: ensure container is completely emptied by pressing, and holding, the nozzle button until all the contents of the container are released. Continue to hold button down until any remaining gas has escaped the container. Never open an aerosol container. Contact your local waste removal company before recycling to ensure compliance with local regulations.

#### 13.2. Other information

Consult with a licensed waste removal company for proper disposal considerations. Dispose of product in accordance to local, state, and federal regulations.

### Safety Data Sheet

Section 14: Transport information		
In accordance with DOT / TDG / IMDG		
14.1. UN number		
UN shipping number	1950	
UN proper shipping name	Aerosol	
UN proper shipping name		
14.2. United States Department of Tra	nsportation information	
Transport hazard class	2.1, 9	
D.O.T. shipping name	2.1 Flammable Gas, Aerosol, Environmental Hazard	
D.O.T. classification	Limited Quantity	
Flammability group	Level 3 Aerosol	
Shipping placards	FLAMMABLE GAS 2	
14.3. Other information		
Environmental hazards	Is hazardous to aquatic environments	
International bulk chemical code	Not determined	
Special precautions	Ship container upright without excessive load on top	

### Safety Data Sheet

According to Federal Register / Vol. 77, No 58 / Monday, March 26, 2012 / Rules and Regulations

Section 15: Regulatory information		
15.1. US Federal regulations		
SARA 302 components	No ingredients are subject to reporting	
SARA 313 components	No ingredients are subject to reporting	
15.2. Specific state regulations		
California Prop 65 components	This product does not contain any chemicals known to the State of California to cause cancer, birth defects, or any other reproductive harm.	
California ARB classification	-	
15.3. Regulating government a	gencies	
Note	The product label and its wording and symbols may differ from the hazard categories, statements, and wording that are presented in this SDS. This might occur if the product is not subject to OSHA labeling requirements or if the product is regulated by a different government agency (such as the Consumer Product Safety Commission, Food and Drug Administration, or the Environmental Protection Agency. The label may also indicate additional hazards or precautions that are not listed on this safety data sheet—this is done at the discretion of the responsible party and only serves to ensure that the user's safety is prioritized above government regulation.	
Section 16: Other information		
16.1. Statement of warranty		

This SDS was completed using the most up-to-date information available at the time of its completion using a variety of credited information sources and scientific databases on chemical hazards—however; no representation, warranty, or guarantee is made to the SDS's accuracy, reliability, or completeness. It is the user's responsibility to satisfy himself/herself as to the suitability and completeness of such information nor do we offer warranty against patent infringement. The SDS does not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship: explicit or implied. The product associated with this SDS has undergone limited testing and all hazards, besides flammability testing, are assumed from the individual ingredients in the mixture, diluted for potency. For a list of hazardous ingredients please refer to Section 3 of this SDS. It is the SDS's objective to provide as much information on the mixture as possible so that users can become more educated to the specific hazards associated when a new version becomes available. For more information please contact the responsible party which can be found in Section 1 of this SDS.

#### 16.2. Date of preparation and revision

Please refer to the top right corner of the first page of this SDS for appropriate creation and revision dates. It is the user's responsibility to ensure that the SDS kept on file is the most up-to-date version of the SDS.
